Instructor Comments - Myrna Layton

Well organized

-
1. My knowledge of the library system and resources available to me definitely increased greatly because of this class.
-

Opportunities to get help

-
1. Works well with individuals.
-

Opportunities for student involvement

-
1. She presented me with many hands-on learning experiences in class.
-

What effect did this course and instructor have in helping you achieve the Aims of a BYU Education?

Hours spent out of class

-
1. This class did not have a heavy work load, but it is still very effective in increasing students' knowledge in how to take advantage of the learning resources the HBLL presents.
-

Additional comments

-
1. This class was pretty good. I really respect Professor Layton. She is very passionate about what she does and she was always willing to answer any of my silly questions. After taking this class, I must say that I use the library SO much more than before.
